BROAD GAUGE RAILROAD; FIRST IN GREEN COUNTY

s Construction is Only One of Many Improvements Taking Place at Rice's Landing, the Booming Little River Town.

The busy town of Ricee Landing, will on have a railroad, the first broad uge in Greene county. The coal busi- is developing with rapid strides and fast distancing all other lines of indus- . For many years past Ricee Landing been one of the principal towns of county from a business standpoint. e town has been growing steadily and had its share of the prosperity which been sweeping over the Mononga- valley for the past six years.

he Dilworth Coal company runs the coal works in Greene county oper- g the river vein of coal and is located re. The works employ about 250 men the payroll amounts to $5,000 every weeks The coal is reached by a foot shaft and is of good quality. So ll the coal has had to be shipped by er but the new railroad is expected elp matters considerably. James M. k, the superintendent, is said to have a large factor in the success of the works. Supt. Black has received from the promoters of the railroad they will be ready to load coal at nine by the first of the year. The ntown shortline will cross the river a short distance above the town and expected that transportation facili- vill be greatly increased within the two years.

es Landing is the shipping point for son, Lippincott, Khedive, Car- ssis and the surrounding country, ts river business has been one of rincipal elements in the develop of the community. Building is ing also.

iennial assessmen just completed n increase over that of three years ago of over 40 per cent.

The Landing is expecting to grow into one of the principal business towns of this corner of the state, once the broad gauge railroad goes through and Greene county's rich coal fields begin to be developed. It has been predicted that "Little Greene" will be the site of a coke industry in the near future equalling that of the famous Connellsville region.

WILL PLAY GAME HERE

The game of basket ball which was scheduled to take place between the local and California Normals five at California Thanksgiving afternoon has been transferred and the game will be played here on the skating rink floor. It was only after considerable difficulty that all of the necessary arrangements were made. The game will be called at 4:30 o'clock. The admission will be 25c which includes skates, making the contest practically free. The local team has been showing great speed and team work in practice and as this will be the first game of the season, Manager Vaughn promises that his tossers will make the Normalites go the limit if they capture the game. Everyone interested in basket ball should turn out and see the locals made their debut.

PRETTY WEDDING.

One of the pretty social events of the season was the marriage of Miss Maud Markell, of this city, to Mr. Harvy Cory, of Birmingham, Ala., which took place at high noon today at the American House, the home of the bride's parents. The ceremony was performed by Rev. H. J. Giles, an uncle of the groom. The bride, who looked charming in a traveling gown of brown velvet, was given away by her father.

Following a sumptuous wedding dinner which was served in the handsomely decorated dining room, the happy couple left on the 1:14 train for Pittsburg, where after a short visit with friends, they will go to Birmingham, Ala., to spend their honeymoon. They will later take up housekeeping in Pittsburg. The bride is one of Monessen's most accomplished young ladies, while the groom is a prominent young business man of Birmingham.

The out of town guests who were present at the wedding were Mrs. J. G. Farquhar and daughter Elizabeth, Mr. and Mrs. J. C. Teeple and daughter Dorothy, and Miss Lydia and Mr. Melvin Teeple, of Monongahela, Mrs. H. E. Teeple and daughters, Bess and Ruth, of Pittsburg, Miss Mabel Merns of Calvert, Md., Miss Lucille Reppert and Mr. George Watson, of Greensboro, Mr. Harry Elson of Masontown, and Mr. and Mrs. James G. Teeple of Buffalo, N. Y.

CHARGED WITH EMBEZZLEMENT

"Billy" McCormick, a Connellsville Councilman, Gets into Limelight and is Held for Court in $2,000 Bail.

Councilman William McCormick, of Connellsville, has been recently arrested on charges of embezzling borough funds and "grafting" and held for court in $2,000 bail. The arrest was made under the direction of District Attorney Thomas H. Hudson, who, with County Detective Alex McBeth, has been working on the case for some weeks. McCormick's son and George Marietta, a young man, were also arrested, charged with being parties to the alleged crime.

It is claimed that McCormick cashed orders for work alleged to have been done on borough streets, when such work was never done, and further that he forged the signature of James Swallop and a man named Leichliter to orders for wages that were never earned. Just how much money came into McCormick's hands is not stated, although the amount is said to be large.

More arrests will follow. The orders in question were made out by Borough Clerk W. D. McGinnis and presented for payment to Borough Treasurer I. W. Ritter. A sensational hearing is expected.

To Let—A furnished front room with or without board. Mrs. Jonnston, 539 Schoonmaker avenue.

MONESSEN MEN CHARGED WITH ILLEGAL LIQUOR SELLING

Warrants Were Yesterday Served on Mike Skirpan and Andy Koczan. Defendants Furnished Bail and Will be Given Hearing This Evening

Mike Skirpan and Andy Koczan, two well known Slavish residents of this city, were yesterday arrested on charges of illegal liquor selling and gave bail before Squire Jas. A. Watkins in the sum of $1,000 each for their appearance for a hearing this evening. C. W. Culler went their bail. The warrants were served late yesterday afternoon by Officer Kepple.

According to the information, the defendants disposed of large quantities of beer and other intoxicants at a wedding celebration which was held in Third Street hall Saturday evening. This case is said to be only one of quite a number of alleged violations of the liquor law and the authorities are now determined to stamp out the practice. The case has excited considerable interest as the defendants claim they are innocent of the charge and Squire Watkin's court will likely be crowded when the men are called for hearing.

GOOD SHOW LAST NIGHT

At the opera house last night "My Wife's Family" scored a decided hit with the theatre goers. Only a fair sized audience witnessed the performance, but all were well pleased with the production. Many excellent specialties were introduced and there was not a dull moment from the time the curtain rose. Those who were not present last evening, missed a most excellent show.

For Thanksgiving, matinee and evening, the attraction will be "A Holiday in Dixie." This company comes to Monessen well recommended and headed by America's favorite comedians, William and Beatrice LeWard, is said to be a perfect cyclone of colored comedy. The famous Missouri "Quartet," good buck wing dancers and many other splendid features are promised in the "Holiday in Dixie."

For Rent—Eight room brick residence situated on Donner avenue, all modern improvements. Inquire M. Meyers & Son, Clothiers.

IT isn't so very unfortunate that after all he has done for the negro race, Mr. Roosevelt should be the victim of numerous resolutions denouncing him for dismissing a regiment of black murderers.

Weak Women

To weak and ailing women, there is at least one way to help But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential.

Dr. Shoop's Night Cure is the Local.

Dr Shoop's Restorative, the Constitutional.

The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well,

Need a good cathartic? A pill is best. Say a pill like DeWitt's Little Early Risers. About the most reliable on the market. Sold by R.W.Beck

For years I starved, then I bought a 50 cent bottle of Kodol Dyspepsia Cure and what that bottle benefitted me all the gold in Georgia could not buy. I kept on taking it and in two months I went back to my work as machinist. In three months I was as well and hearty as I ever was I still use a little occasionally as I find it a fine blood purifier and a good tonic. May you live long and prosper. —C. N. Couldn't Lift Ten Pounds.

Doan's Kidney Pills Brought Strength and Health to the Sufferer, Making Him Feel Twenty-Five Years Younger.

Sick kidneys cause a weak, lame or aching back, and a weak back makes a weak man. Can't be well and strong until the kidneys are cured. Treat them with Doan's Kidney Pills. Here's the testimony of one man cured.

J. B. CORTON.

J. B. Corton, farmer and lumberman, of Deppe, N. C., says "I suffered for years with my back. It was so bad that I could not walk any distance nor even ride in easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

A FREE TRIAL of this great kidney medicine which cured Mr. Corton will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

BIG CROWD AT "STAR."

The Grimes who opened a week's engagement at the Star theatre last evening were greeted by three packed houses. Their act which is a refined and unusually laughable comedy sketch, pleased the patrons immensely. Miss Dorothy Cottaw scored quite a hit, and quickly proved her claim to being America's premier toe danseuse and singer. She is an excellent little artist, with unlimited ability. A good picture completes a fine program. Manager McShaffrey has made special arrangements for a matinee on Thanksgiving afternoon. Two performances will be given, one at 2:30 and one at 4 o'clock. This will enable amusement lovers an opportunity of spending an enjoyable Thanksgiving afternoon, by witnessing an unusually good vaudeville program.

MORTGAGE BURNING.

Thanksgiving Night at St. Paul's Lutheran Congregration Celebration.

After persevering labors covering the past two years, the people of the St. Paul's Lutheran church are happy to own their church lots free from debt. They have arranged a mortgage burning jubilee, for Thanksgiving night, 7:45 o'clock. The Rev. J. Elmer Bittle, Missionary Superintendent of the Pittsburg Synod of the Lutheran church, will be the principal speaker. Mr. H. A. Cook will sing a solo, and Miss Nellie Boore will sing to guitar accompaniment. The program has other interesting features. The public is invited. An account of the services will be given in these columns.

Union Thanksgiving Service.

The Union Thanksgiving service will be held in Opera House hall on Thursday morning, November 28, at 10 a. m. The Rev. J. M. Jamieson will deliver the sermon. Mrs. Catherine Hall Thatcher will render a violin solo Special vocal music will be furnished. The offering of the day will be devoted to the Monongahela and McKeesport hospitals. The opera house will be available should the hall prove inadequate to accommodate the people.

Whoever wants to cure catarrh without risking a cent, should get a Hyomei outfit from Druggist Miller. He says that if it does not cure, he will pay back the $1.

Distinguished by Movement.

Observant and far sighted persons distinguish at great distances a man from a woman, not by dress, face or figure, but by [illegible]. The motions of the most [illegible] of men are ungainly when compared with the sinuous lines that most women instinctively assume. It often happens that a single motion of a distant figure, and especially a motion of the arms above the head, will instantly determine for a trained observer the sex of the person. If any one doubts this let him note the awkward windmill-like performance of a man arranging his hair and the graceful curves and deft touches with which a woman accomplishes the same thing.

Impressive Evidence.

The constable is an observant man, and his observation had its reward at Marlborough street one morning. It was the case of a hansom driver who had run into a four wheeler. and the constable maintained in the witness box that the hansom driver was drunk. "There was a bit of a dispute," said the driver," and the constable admitted as much. "You was a bit doubtful about me bein' drunk, wasn't you now?" continued the driver solemnly. "I was, just a bit," said the constable stolidly, "until I saw you taking down your own number on your coat sleeve." --London Standard.

Ruddy.

Artist's Friend—My dear Harold, I like your picture very much, only I fancy the original doesn't look quite so red as you have painted him. He hasn't a ruddy complexion; quite the reverse. Impressionist Artist—Who on earth are you talking about? Artist's Friend—Why, your uncle, of course. Impressionist Artist—Gracious, man, but that isn't my uncle. It's a sunset!

The Equinoxes.

"The popular belief that storms are more frequent about the time of the equinox, or when 'the sun crosses the line' in March and September, receives some slight degree of support from the investigations of European scientists," states an expert of the weather bureau. "In southwestern Europe March is the stormiest month, while in the British islands and Norway January takes the lead in that respect; but, considering Europe as a whole, it appears that storms preponderate near the seasons of the equinoxes."

Good Dog.

The brave Newfoundland had just rescued his young master from the boiling surf

"My dog too" said L'Oignon pensively, "once saved my life."

"Tell us about it," said Tete de Veau, with eager interest.

"I sold him for $3," said L'Oignon, 'when I was nearly starving."

Full Price.

Mrs Skrimper—One can never believe one-half that is said in advertisements Bunsfold & Tating had an advertisement in yesterday's paper saying that everything was marked down. Mrs Bargainhunter—Yes, I saw it Mrs. Skrimper—Well, it was false. I bought two postage stamps there this morning, and I had to pay as much as ever for them.

Helped Out.

The Father—So you think you can support my daughter? The Suitor—I'm quite sure I can, sir, if you will help us out. The Father—I'll help you out all right, all right! Whereupon the suitor dashed madly down the front steps with the father a close second in the race.—Cleveland Plain Dealer.

A Mistake.

The chairman told me at the meeting that I was out of order."

"Well, wasn't he right?"

"No. I saw a doctor on the way home, and he told me that I was never in better shape in my life."

A Difference.

Guest (going over the picture gallery and halting before a portrait)—And is this the old master? Servant—No, sir. That's the ould missus.—London Magazine.

The Store That's Always Busy

BIGGER Than Ever

THE QUALITY IS RIGHT AND THE PRICE IS RIGHT

WHY? By honest, fair and upright dealing our trade has increased so rapidly that in two years we have been compelled to increase our floor space from 4,400 to 11,000 square feet.

Day after day, in our store, customers remark that our stock of furniture is far above anything in the city in quality and that our prices are wonwonderfully low.

Goods that are cheap in quality should be cheap in price.

As for our stock we simply show the best the whole wide world produces, pricing legitimately and meeting our patrons more than half way in the matter of accommodations.

That's Why We've Grown.

Come in and take a look at our line of BED ROOM SUITS, and odd DRESSERS, in Mahogany, Bird's Eye Maple or Oak. We also call especial attention to our line of DINING ROOM SUITS, BUFFETS and SIDEBOARDS, in either Early English Weathered or Golden Oak. In quality, design, workmanship and finish they are unequaled. Get our prices on Davenports and Leather Rockers.

One of our Carpets or Room size Rugs will add a wonderful "newness" to that dining room for Thanksgiving. AND THAT'S NOT ALL. We carry the largest line of Builder's Hardware, Gas and Coal Ranges, Gas and Coal Heaters, Paints, Oils, Glass, Shelf Housefurnishing Goods, that is carried under one roof in the Monongahela Valley. We will trust you.
